

Red Rovers(RR) meeting July 29, 2019

Notes prepared by Mary Jean Barker

Held at Chester County Library, Exton PA Struble Room

Meeting began at 6:30 pm

Secretary (MJ Barker) shared minutes from May 1, 2019 meeting

Mimi – prepared IRS paperwork for RR Treasurer Report , End of Fiscal Year \$1148.53

Jeanne continued the meeting.

May 18 – West Chester Walk RR one-time event. was a success- 50 walkers, nice weather and the mayor stopped by

Jeanne emailed members with August walks for RR – our own walks to hope to boost attendance and revenue

Upcoming One-Day local AVA Events sheet was available to those at meeting – most weekends from August to November have a local club event. Let Jeanne know if anyone is planning to attend any of these.

Discussion about where to have fall walk – Pottstown is being considered because it has a carousel which is a special program. Discussion was held regarding where the walk will go other than carousel due to places of interest in Pottstown. Maybe a Thanksgiving weekend walk since other clubs have already scheduled walks.

Reminder to save the date for KVSA April 24 -26, 2020 Atlantic Region Conference – 3 routes of walks in Columbia, PA Susquehanna River Towns

Jeanne offered coupons to anyone interested for Boscov's Friend's coupon sale - \$5 for 25% discount on a day in October. RR used this in 2018 and was able to collect a couple hundred dollars (exact amount not given)

Question about having a dinner meeting in Sept. was discussed. Jeanne will look into a restaurant which has a room where we could meet and eat

Meeting concluded at 7:00 P.M. and was followed by an informational presentation by David Blackburn, director at Hopewell Furnace Historic Site National Park about its history and current offerings.
