We recapped the process for submitting our application to the AVA for the group. We need to have the following in place:

- Club name
- Officers
- EIN
- Registration of club name
- Bank account
- By-laws

We will apply for 501(C)(3) status under the AVA.

Once we have been approved as a new club. We will need to design a logo and develop a website.

The group selected the name Chester County Foxy Footers until, on second thought, we decided on the "Chester County Red Rovers." The plan is to have a fox feature prominently in our logo.

The following officers were elected by the group:

- President Jeanne Clancy
- Vice President Meghan Lynch
- Treasurer Pam Marquette
- Secretary Danielle Skaggs
- At-Large Karen Owens (photos & press), Christine Minsker, Barbara Layne

Ken Owens volunteered to develop our website.

Up-coming Liberty Bell Wanderers events include Nockamixon State Park on August 27th and Kennett Square Mushroom Festival on September 10th. Jeanne will attend and hopes that others will join her.

The LBW plan to drop some of their YREs in 2017, including Downingtown. In which case, we can pick them up. Jeanne is working with the county parks on setting up some YREs in the larger ones.

Jeanne, Pam, Mimi, Barbara, and Bob expressed an interest in leading some YREs this fall.

Suggestions for future walks include Hawk Mountain and Delaware Water Gap.
